

MineworksGroup

MISSION STATEMENT

Mineworks Group will remain a respected and leading provider of high value services to the mining and resources sector, creating partnerships with industry participants to Make Mining Work!

We will achieve this by building trusting relationships with our clients, listening to their needs and constantly exceeding their expectations.

OUR CORE VALUES

Respect, Sincerity and Honesty

Respect, sincerity, and honesty build trust, which is the primary foundation upon which all successful and durable personal and business relationships are built.

Health and Safety

The health and safety of our staff, clients, suppliers, and all who work within our environments is a primary concern. We are committed to operating a safe, healthy and friendly workplace.

Stakeholders' Interests

Internal and external stakeholders depend on each of us to deliver excellent performance and timely results. Great outcomes will build continued growth and strength for the Group.

Community

Giving back to the community is an important part of the Mineworks Group ethos. Our team are encouraged to volunteer their time and efforts to assist others.
